Hi Katja

It is with joy in my heart that I report that our school's June's Maths & Physics results improved compared to the March tests. And I believe that the afternoon classes had a big hand in this positive outcome.

Apologies for the delay. Attached please find the June examination results for Mathematics & Physical Science written by our learners.

We hope to start with classes tomorrow afternoon Tuesday 30 July 2013 at 2.30pm.

I Thank God for your involvement in this project. May He richly bless you.

Sam Julius
